➤ Max. CodeChef Rating - 2012(5*)   Handle : sajib_biswas
➤ Max. CodeForces Rating - 1476(specialist)   Handle : sajib_kumar_biswas
➤ Max. AtCoder Rating - 716   Handle : code_19

Programming Languages and Technologies

C,C++, JavaScript,Git and Github,React & Node

Projects

Look

I am making a MERN stack Social Media App. I am trying to come up with the functionality of modern social media app in my project and trying to learn the most of it.

E-commerce

I am building a full stack e-commerce website and learning the basics of React, React Hook, Express and styled-components.

Mizuxe

I built it with html, bootstrap 5 and some javaScript. It's just a single page website.

Courses

Data Structures and Algorithms

Number Theory

Graph Theory

Languages

Bangla (native speaker) , English

Hobby

Traveling & Cycling & Problem Solving
